GENERAL PROVISIONS**§ 111.01 PREAMBLE.**

This chapter is an ordinance relating to the sale, possession and use of tobacco, tobacco products and tobacco-related devices in the city and to reduce the illegal sale, possession and use of these items to and by minors.

(Ord. 631, passed 4-20-1998)

§ 111.02 PURPOSE.

Because the city recognizes that many persons under the age of 18 years purchase or otherwise obtain, possess and use tobacco, tobacco products and tobacco-related devices, and the sales, possession and use are violations of both state and federal laws; and because studies have shown that most smokers begin smoking before they have reached the age of 18 years and that those persons who reach the age of 18 years without having started smoking are significantly less likely to begin smoking; and because smoking has been shown to be the cause of several serious health problems which subsequently place a financial burden on all levels of government; this chapter shall be intended to regulate the sale, possession and use of tobacco, tobacco products and tobacco-related devices for the purpose of enforcing and furthering existing laws, to protect minors against the serious effects associated with the illegal use of tobacco, tobacco products and tobacco-related devices, and to further the official public policy of the State of Minnesota in regard to preventing young people from starting to smoke as stated in M.S. § 144.391, as it may be amended from time to time.

(Ord. 631, passed 4-20-1998)

§ 111.03 EFFECTIVE DATE.

This chapter shall take effect May 15, 1998.

(Ord. 631, passed 4-20-1998)

No person shall sell or offer to sell any tobacco, tobacco products or tobacco-related device without first having obtained a license to do so from the city.

The application shall contain the full name of the applicant, the applicant's residential and business addresses and telephone numbers, the name of the business for which the license is sought, and any additional information the city deems necessary. Upon receipt of a completed application, the city shall determine whether the applicant is eligible for a license and then forward the application to the City Council for action at its next regularly scheduled Council meeting. If the city shall determine that an application is incomplete, they shall return the application to the applicant with notice of the information necessary to make the application complete.

(B) *Action.* The City Council may either approve or deny the license, or it may delay action for such reasonable period of time as necessary to complete any investigation of the application or the applicant it deems necessary. If the City Council shall approve the license, the city shall issue the license to the applicant. If the City Council denies the license, notice of the denial shall be given to the applicant along with notice of the applicant's right to appeal the decision.

§ 111.17 BASIS FOR DENIAL OF LICENSE.
